

THE ROCKEFELLER UNIVERSITY

1230 YORK AVENUE

NEW YORK, NY 10021

JOSHUA LEDERBERG

PRESIDENT

September 24, 1979

Mr. William T. Golden
40 Wall Street
New York, New York 10005

Dear Bill:

I regret that you and Sibyl were unable to join us for an "Evening at The Rockefeller University" last spring.

Two additional "Evenings" will be held this fall and I would be delighted if you could be with us on one of these occasions. The events have been scheduled for Tuesday, October 16 and Monday, December 3 from six to ten o'clock.

As in the past, a reception and dinner will take place in Abby Aldrich Rockefeller Hall followed by a presentation in Caspary Auditorium where Drs. Vincent Allfrey, Jules Hirsch, James Hirsch and I will discuss highlights of the University's current achievements in applying basic biomedical sciences to the solution of major health problems.

I do hope the evening of either October 16 or December 3 will be convenient for you.

It would be a pleasure to welcome you and Sibyl on-campus again.

Sincerely,

Joshua Lederberg
